

# Happy Chinese New Year!

## Special Announcement

Greetings to everyone,

It has been another year filled with music, joy, and also challenges. We sincerely thank you for all your support and encouragement, which motivated us to make many improvements. Now, as the traditional Chinese New Year approaches, we will take a break to reunite with our families, and we have decided to offer a special discount to celebrate and show our gratitude for your support.

Most of the complete speakers on our official website, [www.lii-audio-europe.com](http://www.lii-audio-europe.com), will be available at a 25% discount until February 10th.

Kind regards and have a great day!
